

## ONBOARD LIFESTYLE

*Coral Expeditions I* is a twin-hulled classic catamaran designed for maximum stability and guest comfort. Accommodating a maximum of just 46 guests, *Coral Expeditions I* offers an intimate expedition atmosphere. In November 2016, *Coral Expeditions I* underwent a refurbishment to improve the outside Deck A outdoor area. Responding to feedback from our past guests, the outdoor area on Deck A now offers extended shade cover and discreet lighting, allowing guests to enjoy our new outdoor bar area with protection from sun and wind. Adding brand new furniture inside the dining room, improving comfort and offering a refreshed environment. With the advantage of no assigned seating you are welcome to sit during meal times with new or old friends each time you dine aboard.

## EXPEDITION SHIPS

The Kimberley > Cape York & Arnhem Land

# CORAL EXPEDITIONS I

*Coral Expeditions I* is fully equipped for the ultimate expedition cruising experience in Australian coastal waters. Australian flagged, registered and staffed, the ship was purpose-built for cruising in our region and is the ideal size to access the very best parts of Western Australia's remarkable Kimberley region, the northern coastlines of Cape York and Arnhem Land and the World Heritage-listed Great Barrier Reef.

The 23 onboard rooms are bathed in natural light, with a fresh and modern decor creating a breezy feel. You can choose between double and twin bedded rooms, each fully equipped with a spacious private ensuite, air conditioning and ample storage space.

The ship's forward lounge is a great place to relax and enjoy the scenery in air-conditioned comfort, and features a comprehensive reference library and plasma screens. The Sun Deck at the rear with a new bar outdoor area added in 2016 is another popular place to relax and take in the panoramic views.
